NOTE: *The above trade commission rates excluding clients with special deals or prior agreements. Trade commission is calculated separately for each side and trading channels. For odd lot trade order, only selling order is provided and it must be executed via dial-in telephone order and trade commission for such transactions is charged accordingly. Odd lot refers to the number of shares traded in a single transaction which is less than one lot of the securities. All of the above rates and charges are subjected to change and at the Company's sole discretion without prior notice.
